

# PARTICIPATE IN MEMORY RESEARCH

*We are using noninvasive brain stimulation to better understand how the brain performs memory processes*

## REQUIREMENTS:

- 18 years of age or older
- Must not be taking psychoactive medications
- Willing and able to be undergo MRI scanning and receive non-invasive brain stimulation

**LOCATION:** The Hermiller Lab, run by Molly S. Hermiller, PhD (PI), in the Psychology Department at Florida State University.

**DURATION:** Your participation will vary, depending on your availability and the specific study condition you are assigned. There will be 1-8 sessions (multiple days); 1-4 hours per session. Your total time will be between 4-20 hours.

**PAYMENT:** \$10-20/hour

(Florida State University students may opt for SONA credit as compensation, instead).

**Contact:** [hermillerlab@gmail.com](mailto:hermillerlab@gmail.com) or scan our QR code to complete eligibility screening
